

Foundation Stage

Tadpole Class

We would like to begin by welcoming all of the new children and their parents to Hallbrook Primary School, we very much look forward to getting to know you and working with you over the next year.

In the first week, whilst the children are settling into school, we will be focusing on school routines and getting to know each other. We will be exploring the school surroundings, getting to know the adults around school and exploring our classroom resources and activities.

We will then be moving on to a topic all about nursery rhymes. We will be singing rhymes together, joining in with actions and movements, creating art work linked to some of the rhymes, making puppets to act out the stories, dressing up as the characters and exploring aspects of some rhymes such as baking cakes like the Bakers Man and investigating how we can help stop Humpty from breaking when he falls off the wall.

In the final few weeks before half term we will be focusing on personal, social and emotional development through a topic called Fabulous Friends. During these weeks we will be talking about what we like to play with our friends, thinking about different situations and how they might make us feel and what we can do to help each other if someone is upset. We will also be sharing stories about friends and creating our own friend stories.

Look out in the weekly This Week at School letters in your child's Home School Link Books for further information about this topic and what is going on at school each week.
