

HALLBROOK PRIMARY SCHOOL

7th September 2018

Dear Parents,

At school we love to hear about what you have been doing at home, this might be a fun trip out or a weekend away, maybe baking some cakes or helping in the garden. We also like to hear about the busy work you have been doing, recognising a new sound or counting to 20 for the first time or maybe they have achieved a swimming certificate or won a trophy at dancing or football. If you feel you would like to share some of your experiences at home with us we have included some WOW moment sheets for you to complete as and when appropriate. We will share these with the class and then include them within your child's learning journey.

We can't wait to hear your news.
