

Maths Home Learning Work

Week beginning 29.06.20

Learning Objective	Activity instructions for children	Notes and information for parents
<p>To revise parallel and perpendicular lines</p> <p>To describe 2D shapes based on their properties</p>	<p>Current Maths Strand - <u>Geometry: Properties of shape</u></p> <p>Click on the following link: https://www.thenational.academy/ and follow this route to find your maths lessons this week: Classroom > Find Lessons > Year 3 > Subject > Maths > then scroll down to find Angles and Shape and work through the following 2 sessions: <u>Lesson 9 - To revise parallel and perpendicular lines</u> <u>Lesson 11 - To describe 2D shapes based on their properties</u></p>	<p>This week we will continue to use some online lessons from the Oak National Academy as you are working really well with this – thank you for sharing your work with us on the class email!</p>
<p>To apply rapid recall of multiplication and division.</p>	<p>Mental arithmetic: Spend at least 15 minutes a day practising your times tables: https://ttrockstars.com/ https://www.topmarks.co.uk/maths-games/hit-the-button https://www.timestables.co.uk/ https://kids.classroomsecrets.co.uk/</p>	<p>Please let me know when your child is confident in knowing a certain times table – multiplication and division in any order. They can then look at the next times table. The order should be: 2, 5, 10, 3, 4, 8, 6, 7, 9, 11, 12</p> <p>I can then email through the certificate achieved (3&4, 8&6, 7&9, 11&12)</p>
	<p>MyMaths: Keep your eye on class dojo for Mrs Nagorski’s message regarding your MyMaths activities. She will put something on for you over the weekend ready for next week!</p>	

You can send any work to year3@hallbrook.leics.sch.uk that you would like us to look at or if you have any questions then please do not hesitate to email us. We will not always be available via email during school hours but will respond as soon as possible.

Thank you for your continuing support,
Year 3 Team
