

Year 2 Maths Activities

W.B: 29.06.20

<u>Learning Objective:</u>	<u>Activity Instructions for the children</u>	<u>Notes and Information for Parents</u>
<u>L.O: I can recognise and use coins and notes.</u>	<p><u>Using Money and Introducing Money</u> If possible, watch the video help on the class dojo page. Look at the value of coins and how to make different amounts.</p>	<p>When you log on to MyMaths you will see the set activity. Try the lesson and then complete the online homework activity. They can try the activities more than once to improve their scores. There will a video showing how to complete the questions on the class Dojo page.</p>
<p><u>L.O: I know my 10 times table.</u></p> <p><u>L.O: I understand odd and even numbers.</u></p> <p><u>L.O: I can make equal groups by sharing and grouping.</u></p>	<p><u>Revision Activity:</u> <u>The 10 Times Table</u> Watch summer term, week 6, lesson 1. Then try and fill in the worksheet for this, you can record your answers in your work book – you do not need to print the sheet.</p> <p><u>Odd and Even Numbers</u> Watch summer term, week 6, lesson 2. Then try and fill in the worksheet for this, you can record your answers in your work book – you do not need to print the sheet.</p> <p><u>Making Equal Groups - Sharing</u> Watch summer term, week 6, lesson 3. Then try and fill in the worksheet for this, you can record your answers in your work book – you do not need to print the sheet.</p> <p><u>Making Equal Groups - Grouping</u> Watch summer term, week 6, lesson 3. Then try and fill in the worksheet for this, you can record your answers in your work book – you do not need to print the sheet.</p>	<p>There are worksheets to complete (you can print these out or put the answers in your work book). The answers for the worksheet can also be found on the school website too.</p> <p>The White Rose lessons can be watched at: https://whiterosemaths.com/homelearning/year-2/</p> <p>There will a video showing how to complete the questions on the class Dojo page. There is also the worksheets on the website to download if you would like to.</p>
<u>L.O: I know and can use my 2, 3, 5 and 10 times tables.</u>	<p>Practise counting up and down in 2, 3, 5 and 10's. The practise saying your times table in order ($1 \times 3 = 3$, $2 \times 3 = 6$ etc.) The practise your times tables out of order. You can write these down in your workbook too to help you remember them.</p>	<p>Practise learning your 2, 3, 5 and 10 times table. Practise in order ($1 \times 3 = 3$, $2 \times 3 = 6$ etc.) Then practise out of order ($3 \times 3 = 9$, $7 \times 3 = 21$ etc.) You can also log onto TimesTable Rockstars to practise your times tables. See if you can beat your own time.</p>

If you have any questions or need support with any of the learning activities, you can contact us via the class email year2@hallbrook.leics.sch.uk

This email will be checked during normal school hours and we will respond as soon as possible.

Thank you, Mrs Dawson, Miss Rushby and Mrs O'Boyle
