

Year 5 Owls Maths: WB: 6/7/20

	Learning Objective	Activity instructions for children	Notes and information for parents
1	To calculate an angle around a point.	Visit https://whiterosemaths.com/homelearning/year-5/ Watch the video Summer Term Week 10 Lesson 4 – Calculate angles around a point then complete the worksheet. Worksheets are now on the school website.	Children can complete the work in their book if you do not have a printer at home. Worksheets and answers are now on the school website. Some children may find completing all of the worksheet challenging. I would stop after around 20 minutes work on the worksheet if your child is struggling.
2	To recognise regular and irregular Polygons	Visit https://whiterosemaths.com/homelearning/year-5/ Watch the video Summer Term Week 11 Lesson 1 – Regular and irregular polygons then complete the worksheet. Worksheets are now on the school website.	
3	To reason about 3D shapes	Visit https://whiterosemaths.com/homelearning/year-5/ Watch the video Summer Term Week 11 Lesson 2 – Reasoning about 3D shapes then complete the worksheet. Worksheets are now on the school website.	
4	To reflect shapes accurately	Visit https://whiterosemaths.com/homelearning/year-5/ Watch the video Summer Term Week 11 Lesson 3 – Reflection then complete the worksheet. Worksheets are now on the school website.	
5	To translate shapes in the first quadrant	Visit https://whiterosemaths.com/homelearning/year-5/ Watch the video Summer Term Week 11 Lesson 4 – Translation then complete the worksheet. Worksheets are now on the school website.	

If you have any questions or need support with any of the learning activities, you can contact me via the class email year5@hallbrook.leics.sch.uk.
This email will be checked during normal school hours and I will respond as soon as possible. Thank you, Mrs Cawrey.
