

## Year 5 Owls Home Learning WB 5.1.21

	Learning Objective	Activity instructions for children	Notes and information for parents
<b>What We'll Build – Whole school project</b>			
<b>1</b>	To explore what it means to build something.  To design a useful object.	In this lesson, we will be thinking about what it means to build something useful to build. Watch the video on Class Dojo to find out what you need to do.	These activities link to the book 'What We'll Build' by Oliver Jeffers and cover a range of curriculum areas.  Please let me know if you need any support.
<b>2</b>	To find out about the life of someone who has influenced the lives of others in a positive way	In this lesson we will be finding out about the life of Malala Yousafzai and writing about her. Watch the video on Class Dojo to find out what you need to do.  You can visit these websites to find out more about Malala: Malala's Story BBC News <a href="https://www.youtube.com/watch?v=FnloKzEAX7o">https://www.youtube.com/watch?v=FnloKzEAX7o</a>  Newsround special <a href="https://www.bbc.co.uk/newsround/24440653">https://www.bbc.co.uk/newsround/24440653</a>	
<b>3</b>	To research the lives of inventors	In this lesson you will be finding out about inventors.  Watch the video on Class Dojo to find out what you need to do.	
<b>Maths – Short Multiplication</b>			
<b>1</b>	Multiply 2-digits by 1-digit	This lesson is recapping work you did in Year 4 on short multiplication. We will be multiplying two-digit numbers by one-digit numbers. To begin with, watch the video on Class Dojo. You can pause it in different places when you need to.  Click <a href="#">here</a> to complete a quiz to show me how well you understand. You will need a pencil and paper to complete your work.	These lessons are revision of work completed in Year 4 so some children may already feel fairly confident with this method.  It is important that children are secure with this method before moving on to long multiplication.  When children complete the quiz it will mark it for them. I will also be able to see how well they have done.  Please let me know if you need any support.
<b>2</b>	Multiply 3-digits by 1-digit	In this lesson we will be multiplying three-digit numbers by one-digit numbers. To begin with, watch the video on Class Dojo. You can pause it in different places when you need to.  Click <a href="#">here</a> to complete a quiz to show me how well you understand. You will need a pencil and paper to complete your work.	
<b>3</b>	Multiply 4-digits by 1-digit	In this lesson we will be multiplying four-digit numbers by one-digit numbers. To begin with, watch the video on Class Dojo. You can pause it in different places when you need to.  Click <a href="#">here</a> to complete a quiz to show me how well you understand. You will need a pencil and paper to complete your work.	

**If you have any questions or need support with any of the learning activities, you can contact me via the class email [year5@hallbrook.leics.sch.uk](mailto:year5@hallbrook.leics.sch.uk).**

**This email will be checked during normal school hours and I will respond as soon as possible.**

**Thank you, Mrs Cawrey**
