

Week 3- Home Learning plan W.C. 18/1/21

This document contains all of the tasks for the week. Each day there is a Maths and English lesson with an activity and in each afternoon I have given the children an afternoon activity to do.

On the last page of this document I have given a list of other activities that your child can complete throughout the week.

If you have any questions or if you would like feedback on your child's work, please email year3@hallbrook.leics.sch.uk.

Monday 18th January

<u>Lesson</u>	<u>Learning</u>	<u>Activity</u>
Maths: Knowing pence and pounds	See Video - showing and recapping pence and pounds. YOU WILL PROBABLY NEED TO GO BACK A CHALLENGE TODAY SO THAT YOU CAN REMEMBER ALL YOU KNOW ABOUT MONEY. This is ok as we are recapping!	<ol style="list-style-type: none"> 1. Look at challenge A today - can you answer all of these correctly? 2. If you can then look at Challenge B - can you answer all of these correctly? 3. Then work through the 3 examples with Miss Rushby on the video. <p>Challenge C - try is you're confident with money Challenge D - very confident and has to be independent!</p>
English: Reading Lesson on Escape from Pompeii	See Video on Miss Brittain reading the next page of the book.	Click on this link here to answer the questions on what we have read. If you need to re-watch the video to find the answers this is fine. The pages of the book will be uploaded to dojo so that you can go back to the text to find the answers.
Afternoon Activity : Geography	<p>Watch the video on about Volcanos.</p> <ol style="list-style-type: none"> 1 Fill your glass just over half way full with water. Add 3 teaspoons of baking soda and give it a good stir until most of the baking soda dissolves. 2 Add a good squirt of washing-up liquid into the cup and once again give it a stir. 3 Make sure your volcano is in the kitchen or outside (or somewhere you don't mind making a mess). 4 Quickly pour in just a quarter of a cup of vinegar and enjoy your very own volcanic eruption! 	<p>If you can and have all of the ingredients you can create a volcano in your home just like Miss Brittain has done in the video. You will need washing-up liquid, vinegar, a plastic cup, baking soda.</p> <p>Label the parts of the volcano using the template to help you fill in the missing words.</p>

Tuesday 19th January

<u>Lesson</u>	<u>Learning</u>	<u>Activity</u>
Maths: convert pence into pounds	See video showing how to convert (change) pence into pounds and pounds into pence	<p>If challenge B is too tricky go to A.</p> <p>Challenge A - money in jar - end example looks at pounds and pence.</p> <p>Challenge - B recapping pounds and pence converting. ALL CHILDREN MAY NEED TO START WITH THIS ONE TODAY!</p> <p>Challenge C - converting pounds and pence and different ways and explaining reasoning.</p> <p>Challenge D - independent explaining using fewest coins and making own examples using a question to help them as a frame.</p>
English: Reading Lesson on Escape from Pompeii	See Video on Miss Brittain reading the next page of the book.	Click on this link here to answer the questions on what we have read. If you need to re-watch the video to find the answers this is fine. The pages of the book will be uploaded to dojo so that you can go back to the text to find the answers.
Afternoon Activity : RE	<p>What do Christians celebrate at Easter?</p> <p>Read the information on the 'Holy Week'</p> <p>https://www.bbc.co.uk/bitesize/topics/ztkxpv4/articles/z4t6rj6</p> <p>Watch this video to learn more:</p> <p>https://www.bbc.co.uk/teach/class-clips-video/religious-studies-ks2-easter/zknqwx</p>	Split your paper into 4 sections, in each section you need to choose a service that Christians celebrate at Easter. In each section you can draw pictures or write sentences about the service and what this represents to Christians.

Wednesday 20th January

<u>Lesson</u>	<u>Learning</u>	<u>Activity</u>
Maths: Add amounts of money	See the video about how to add different amounts of money together	If challenge B is too tricky go to A. Challenge A - own adding of coins using different amounts e.g. add 2 coins, add 3 coins, add 4 coins. Remember answers shouldn't be in coins unless they are one! Challenge - B recapping part whole model then moving onto word problems using addition. ALL CHILDREN MAY NEED TO START WITH THIS ONE TODAY! Challenge C - adding word problems. Challenge D - independently adding word problems and making own using bar model examples using as a frame. Explaining why?
English: Explanation Writing	See video of Miss Brittain explaining what time conjunctions are.	Click on this link and add a time conjunction to the sentences. Use the word mat on the website to help you.
Afternoon Activity : Science	Watch the video of Miss Brittain exploring magnetic and non magnetic materials.	Look around your home sort materials into magnetic and non-magnetic using a magnet. Use the template provided to help you. You could use fridge magnets or paper clips to test this. PLEASE NOTE: Magnets can be extremely dangerous if swallowed, especially small magnets. So please do not use magnets where you have younger brothers and sisters around. They can also damage or interfere with technical equipment so don't use near phones and computers just in case.

Thursday 21st January

<u>Lesson</u>	<u>Learning</u>	<u>Activity</u>
Maths: Subtract amounts of money	See the video amount subtracting amounts of money.	If challenge B is too tricky go to A. Challenge A -making a total. Then ch if needed could subtract a total from £1 and £2. Challenge - B recapping part whole subtraction then number sentences. ALL CHILDREN MAY NEED THIS ONE TODAY! Challenge C - numberline counting on/ counting back subtraction explaining. Then complete subtraction number sentences. Challenge D - independent subtraction number sentences practice and making own subtraction bar model examples using as a frame.
English: Explanation Writing	Watch the video of Miss Brittain explaining what conjunctions for cause and effect are.	Your task is to use the cards and see how many sentences you can create using a conjunction. Can you create your own sentences too using the cards? See the examples at the end of the video to help you.
Afternoon Activity : Music	Complete the task on YUMU Spring 1- Week 3.	
Afternoon Activity 2: French	Learn the names for family members in French - use the video on dojo to learn the French words for different family members.	Matching activity- match the French to the English names for family members.

Friday 22nd January

<u>Lesson</u>	<u>Learning</u>	<u>Activity</u>
<p>Maths: Giving change using money</p>	<p>See the video about how to give change using money.</p>	<p>If challenge B is too tricky go to A.</p> <p>Challenge A -making a total. If needed children could subtract totals from £5 or re-practice subtracting from £1 or £2 if more practice is needed for this.</p> <p>Challenge - B change from £10 and £5 using either mental (coin subtraction or numberlines - children can choose and try out different methods today).</p> <p>ALL CHILDREN MAY NEED TO START WITH THIS ONE TODAY!</p> <p>Challenge C - change from £5 or £10 - multistep problems adding and subtraction practice.</p> <p>Challenge D - independent multistep adding and subtraction practice. Write own subtraction problem and then explaining problem with multiple answers.</p>
<p>English: Explanation Writing</p>	<p>Think about the learning we have completed so far this week. Watch the video of Miss Brittain explaining the task.</p>	<p>Write a paragraph about volcanos using cause and effect conjunctions. Use the word mat to help you. If you need to you can watch yesterday's English videos to revise your knowledge of conjunctions before completing the task.</p>
<p>Afternoon Activity : Art and Design</p>	<p>Have a look at Banksy and Keith Haring's pieces of art, compare them both. Can you create your own piece of art inspired by the two artists?</p>	

This afternoon you can also finish off any tasks that you haven't completed for the week.

Other Activities that you can complete throughout the week:

<p><u>PSHCE</u> Write 10 Top Tips that you will need to follow to become a good communicator.</p>	<p><u>Spellings</u> Practice your weekly spellings- Suffixes sub and tele Telescope, television, subordinate, telegraph, telephone, subway, submarine, submerge, subject, submit https://spellingframe.co.uk/ This is a great website to test you on your spellings.</p>	<p><u>Read Theory</u> https://readtheory.org/auth/login <u>TTRS</u> https://trockstars.com/</p>
<p><u>Computing</u> https://scratch.mit.edu/projects/editor/?tutorial=getStarted Click this link, can you program Scratch to move 10 steps to the left then 10 steps to the right. Follow the tutorial on the website if needed.</p>	<p><u>MyMaths</u> I have set you a task this week on 'Word Problems multiplying' and the other tasks set on MyMaths you can complete throughout this term.</p>	<p><u>PE</u> https://www.youtube.com/watch?v=TE5KLR0upl8 Try some volcano yoga at home! See ClassDojo for more PE activities!</p>
