

THOMAS ESTLEY SUMMER UPDATE: MOMENTS OF JOY AND HOPE

Our year group Sports Days finished off a tough year with a chance for everyone to participate, compete and enjoy time together playing sport on the grounds. Fantastic outdoor fun!

Pictured are our Year Nine Thomas Sports Leaders collecting the overall trophy for Thomas, after four days of rounders, athletics and the traditional Tommo Tug of War across all year groups from Seven to Ten. Congratulations also go to Kacie in Year Ten, who won the Spirit of Sports Day Award.

Preschool had great fun on Wednesday, enjoying the lead up to the England v Denmark Euros match. Pictured below are some magic moments!

After an impressive hard year's work, we said goodbye and well done to our Year Eleven students with a barbecue on the college field.

THOMAS ESTLEY SUMMER UPDATE: MOMENTS OF JOY AND HOPE

A beautifully conceived and performed outdoor production of Alice was an amazing success, as we dipped our toes back into our normal creativity and let our performing lights shine!

Congratulations and good luck to this year's graduating trainee teachers, trained through our training organisation TELA, who mastered their profession during really challenging circumstances this academic year.

THOMAS ESTLEY SUMMER UPDATE: MOMENTS OF JOY AND HOPE

Well done to the students who won Success Academy Trust Leadership and Character Awards this year – a real achievement with just 32 awarded across over 2000 Trust children.

We also enjoyed the Thomas Estley Awards Evening where so many of our students won awards across our subject areas for Achievement and Progress.

The Year Eleven Awards will take place in September – more information to follow. Such a delight to celebrate achievements together.

Well done to EVERYONE who has battled through the challenges of the pandemic to show resilience in remote learning, mastery of many learning curves and determination to achieve and care despite every barrier – WE HAVE SUCH INCREDIBLE STUDENTS AND STAFF.

And a special mention to Sophia – not only playing at the highest club level possible for her age, but also a recent recipient of her England cap. Well done!
